## 1. Introduction

---

In order to provide better service and to address security hazards, Emporium Capital K.A Ltd, uses cookies. A cookie is a small piece of information that a website stores on your web browser or your PC and can later retrieve. Cookies are very common, and are used to improve how a website works. Cookies contain information that can be used on particular sites and to tailor a visitor's experience on the website or provide data that can be used for analysis by our web servers.

Cookies cannot be read by a website other than the one that set the cookie. Most cookies only last through a single session or visit to our site. No cookie will contain information that will enable anyone to contact you via telephone, email or any other means.

This website may use cookies to monitor website usage. This statistical information allows us to manage and develop our website(s), for example to improve usability, or measure the popularity of a given web page. The information gathered does not identify you personally. Cookies cannot read data off your hard disk or read cookie files created by other sites or damage your system.

You can set up your web browser to inform you when cookies are set or to prevent cookies from being set. Please note that if you have chosen to disable cookies on your browser, your use of Emporium Capital K.A Ltd website might be limited. For more information about cookies, please see <http://www.allaboutcookies.org>

We use cookies that allow us to view:

- The date and time that you visit our site
- The Internet browser and operating system of your computer or device that accesses our site
- The Internet domain and Internet Protocol (IP) address from which you access our website
- If you visited our website from another website, the address of that website
- If you were referred to our website from a search engine, the address of that website and the search term you used to find us
- The pages you visit on our site.

The following cookies are set on your computer after your consent:

Google Analytics and Google Tag Manager: \_utma, \_utmt, \_utmb, \_utmc and \_utmz. For more information about these cookies, please see:

<https://policies.google.com/privacy?hl=en>

<https://developers.google.com/analytics/resources/concepts/gaConceptsCookies#cookiesSet>

YouTube cookies: Pref, Visitor\_Info1\_Live, YSC. These cookies are used to determine your bandwidth to ensure proper video playback, keep statistics on how you use YouTube videos across different websites, and registers a unique IP to keep statistics on videos you've seen. For more information about these cookies, please see

<https://policies.google.com/privacy?hl=en>

You can easily remove any cookies that have been created in the cookie folder of your browser, in effect removing the cookies that have been set by deleting the cookies in your browser(s).

## **2. Registration and completing forms**

---

You may be asked to provide personal information such as your name, address, telephone number when you complete a form to make an enquiry, RSVP for an event or download information.

Any information gathered will only be used to complete your request unless specifically stated on a particular form.

Information provided by you will be handled in accordance with the relevant jurisdiction's data protection legislation. We maintain strict security standards and procedures with a view to preventing unauthorized access to your data by anyone, including our employees.

## **3. Transfer of data/sharing**

---

We will not disclose your personal information unless we are obliged to do so or are otherwise permitted to do so by applicable law. Should this be the case, we will ensure that the processing is in line with applicable data protection legislation in place.

## **4. Notification of changes to the Privacy Statement**

---

We may change the content of service found on our site at any time without notice and consequently our privacy policy may change at any time in the future.
